RESULTS FOR LAST WEEKEND

Saturday 2nd July 2011:

Men's S/L vs Eltham (Home)

Score 8 – 18 (Loss)

With our club depleted for numbers because of ASPAC tournament in NZ and injuries we put up a brave fight and scored more goals than we have for the rest of the season. Our co-captain Hayden Decker showed a never say die attitude and had many show the same desire in support.

Men's Div. 2 vs Caulfield (Home)**Score 17 - 11 (Win)**

The Div.2 guys started with 11 players and continued on their winning way yet again to win three in a row and four of their last five games to march into the final 4 a game clear.

The team was again very disciplined with Johnno controlling the centre draws. The midfield worked hard and our vastly improving defence was again very efficient. Air gait Lukey in attack run amok during the day with 6 goals and 3 assists with a best on field performance. Captain Dan kept everything under control on the field playing his usual leadership role. Kale fought hard all day in the midfield, sensational for an U/16 player.

This team is genuine Premiership chance now, beating everyone in front of them except Altona which is our next game. Williamstown and Malvern were both top earlier in the month and were both toppled by us and Eltham who were two games ahead of us, but are now one game behind.

Well done guys we still have a tough month ahead but I am sure the other teams are already playing their best lax and our best is yet to come.

Men's Div. 3 vs Camberwell (Away)**Score 4 - 35 (Loss)**

Div.3 went over to Camberwell for our second meeting there for the year. We were a little worried initially, with only 11 players named; only a handful of withdrawals across the senior squad would've meant having to give a walkover. We were pleased to arrive at the ground and discover that rather than having 11 players, we had 13, with Nugget Scott and Tom Delisle both late inclusions.

What was less pleasing was the melee in the 1st quarter, which resulted in Clem Conheady being ejected from the game. A much more experienced Camberwell side exposed our lack of inexperienced goalie and therefore was able to pile on a number of early goals. Full credit has to be given to all involved for persisting, particularly in defence; this includes all the shorty's. Promising signs were shown late in the game, when we were able to score 4 late goals.

Michael Remilton was able to score 3 and picked up an assist. We were also competitive in face off all day.

U/18 Boys vs Footscray (Home)**Score 9 - 13 (Loss)**

We had a tough assignment this week coming up against Footscray. The day started off horribly with players not turning up, some calling in sick and a select few deciding to turn up just before the first whistle. Some players were playing injured and others couldn't play due to band commitments.

We knew we had our work cut out for us and things looked even worse when one of our star defenders, Dylan Trewen went down in the first quarter with what looked to be a soft tissue injury to his shoulder.

We started off pretty well but took a bit of an onslaught early with only 9 players on the field. Credit is due to our defenders Rob Collis, Anthony D'Elia, first time defender Todd Cope and our new goalie Anthony Mann who made some amazing saves. Footscray had some great players who could shoot very well and our boys were able to hold them out and not let them get too much of a lead.

In the second quarter, Dylan decided he would help us out and sit in attack but not play, this way we could have 10 on the field and be able to defend properly. Part way through the second quarter we were 7 goals down and with our backs against the wall, we came out swinging. Our offence moved the ball very quickly and looked the best it's been all year even though we were virtually playing a man down in attack. Part way through the third quarter we had another player turn up who added some much needed run to our midfield and attack. We clawed our way back into the game, but in the end, couldn't get ahead and lost 13 to 9. It was a great effort by all the boys and showed we could match it with the best. Who knows what we could do if we had enough players at training, players turn up to the game on time and get a proper warm up, or enough on the bench. The guys showed commitment during the game but need to commit themselves to preparing properly. That includes team training, individual training and match day warm ups.

Coaches Award: Todd Cope - first day on a long pole and looked at home

MVP: Anthony D'Elia - with two strong defenders out of the game, Anthony stepped it up a gear and played his heart out.

Woman's B Grade vs Melbourne Uni**Score 4 - 9 (Loss)****Woman's Under 15's vs Northcote****Score 10 - 6 (Win)**

Under 15's played Northcote for the second time in a month, however this time the story was very different. With only 8 Chaddy girls playing this week the team had to play 2 down! However the Under 15's gave their best TEAM performance for the year, it's hard to single out anyone because each girl contributed to the victory in their own way. Some terrific defence and contested ball by Mary, great goal keeping by Katie in the second half with some crucial saves, some brilliant run thru the midfield by Alex, Hanna and Laura. Loretta stepped up and played her best game of the year in both defence and attack, Violet scored 3 crucial goals in the second half to seal the victory and Maudie worked hard all game with 3 goals in the first half and solid defence in the second. A big thanks to Rhi who stepped in to coach the girls and bought them together brilliantly on the day.

Coaches Award: Loretta**MVP:** Maudie

Girls Under 13's vs Camberwell**Score 5 - 0 (Win)**

This week the girls played Camberwell at Footscray. With two new faces, Jen and Jasmine, the girls looked strong from the start. A great contribution by Rachel who pre-empted play on numerous occasions and Hannah with multiple great goals. Special mention to Maddie who had to be carried from the ground twice (lucky she's light), but managed to play brilliantly in between injuries!
